

Dear Grindstone Lake Lover:

Grindstone Lake needs you! It is time to sign up for your 2008 Grindstone Lake Association membership. By becoming a member, you empower the association to work as your agent to protect your investment and your enjoyment of one of the best lakes in Wisconsin.

What your membership buys:

- 1. **Information** — over a decade of valuable data collected about the ecological health of the lake’s water, fish, plant life, shoreline and watershed.
- 2. **Actions** — working with the DNR to protect and improve the health of our lake’s environment.
- 3. **Social functions** — a great picnic and fund assistance for the annual fireworks at the waterfront.
- 4. **A voice in the community** — both the DNR and the local governments recognize the voice of our membership. They both value our ability to reach out and inform lake property owners about the lake and the actions which may be needed to protect the lake.

NONE of these things would happen without your membership in the association.

Please Send in your membership today. Grindstone Lake needs YOU!
